

NJVS™ provides traditional and alternative school programs. Students can be enrolled in credit recovery or comprehensive/full year courses for promotion or graduation requirements.

Every NJVS™ student is taught by a NJ certified teacher who interacts with the student providing extra help and encouragement to assist the student to successfully complete the course.

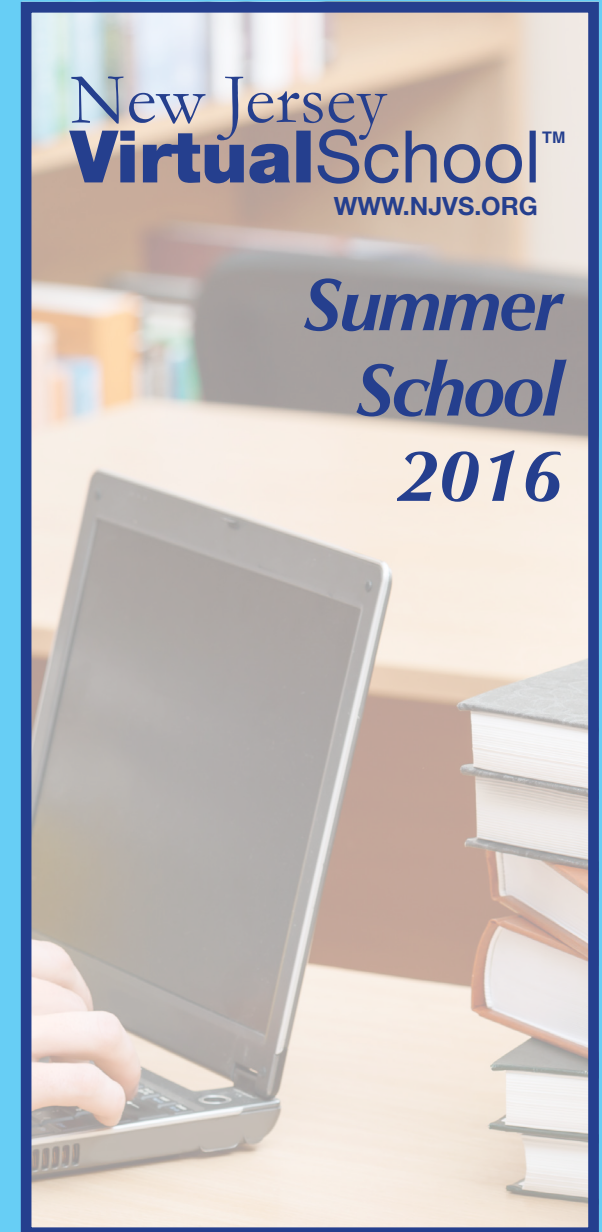

All courses are aligned to the Common Core Standards and instructional pace can be modified by the teacher to accommodate differentiated learning.

Advantages of Online Learning with NJVS™

- Every student interacts 1-to-1 with a New Jersey certified teacher
- Teachers contact students, parents/guardians regarding academic progress
- Core comprehensive courses are approved by the NCAA Eligibility Center
- Visit www.njvs.org for more information

NJVS™ is the only virtual course provider in New Jersey operated by a public non-profit educational services commission.
